WORKING BEES 2012

Once again this year there will be four working bees. The types of jobs include general maintenance and repairs and gardening.

On the working bee mornings a list of chores is put up on the notice board and as people arrive they choose areas that they can assist with. At the end of the working bee we provide a sausage sizzle and this is a great opportunity to have a chat with other parents.

This year we are asking you to commit to two out of the four working bee mornings. By having your commitment, we are able to organise the jobs that need doing more successfully. A reminder note will be sent home before each working bee date.

Dates:
- Sunday 18 March
- Sunday 6 May
- Sunday 12 August
- Sunday 18 November

Times: 9.00am to 12.00 noon

Please mark two of these dates on your calendar and return the slip below to school by Wednesday 2 March.
