First Aid Management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Doncaster Gardens Primary School will notify parents/carers by either sending a note home to parents/carers, email or via a phone call.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment is administered to a student resulting from a student incident, injury or illness, Doncaster Gardens Primary School will:
 - record the provision of care on eduSafe Plus. If the care is provided following a recorded incident, the details are recorded through the

eduSafe Plus *Incident* form. For all other presentations, the eduSafe Plus *Sick Bay* form is used.

- if care was provided in response to a medical emergency or reportable incident, follow the Department's Reporting and Managing School Incidents Policy, including reporting the incident to the Department's Incident Support and Operations Centre on 1800 126 126 where required to under that policy.
