

Launching New Online System

Dear Parents, students and teachers of Doncaster Gardens Primary School,

We are introducing a new on-line lunch order system. Welcome to SchoolShopOnline. The new system is ready to operate, just register and follow the step to order your lunch order. There will be allowance of time for this transition from the current system to SchoolShopOnline.

The current system will be still operating till end of this term. Our target is to fully run with the new system in 2024. We will endeavour to do our best to make the transition smooth.

Kindly make the change as soon as possible. Please click on this link and register at your earliest convenience.
