

2026 YEAR 3

Dear Parent/Guardian,

Doncaster Gardens Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school is able to offer the best possible education and support for all students. We want to thank you for this ongoing support. It continues to make a huge difference to our school and the programs, resources, and opportunities that we can offer.

Within our school this support has allowed us to continue to provide enhanced learning opportunities, rich experiences, and a diverse range of resources for our students. Doncaster Gardens makes every effort to keep the cost of items and activities to a minimum and affordable for our parent community.

Within our school in 2026, the financial contributions will assist with: -

- Providing enhanced learning opportunities including targeting student point of need teaching including our student excellence program. This includes Maths Extension program, Orchestra, Choir, leadership programs, Productions, and extra curricular activities.
- Enabling a diverse range of materials especially online subscriptions to be purchased for each child, used both onsite and remotely. Without your support, these online subscriptions would need to be reduced.
- Providing an ICT Centre, coding materials, photocopier in the Year 6 area for student use, purchasing and maintenance of items such as iPads and printers.
- Providing Internet security to student devices and technical support for student/school devices onsite during school hours.
- Providing one off unique opportunities in the Arts such as Performances and tasks such as Ceramics (using our kiln).
- Providing wellbeing and mental health supports and resources.
- Providing medical support and first aid for all students throughout the school day.
- Providing neat, clean, and safe grounds and learning/play spaces.

In 2026, your contributions will also purchase all stationery required by your child throughout the year. This will be delivered to the school. No further book pack items will be required to be purchased.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Educational items for students to own

Below is a list of items that the school recommends you purchase from third party providers for your child to individually own and use.

- **IPAD 1:1 BYOD program**

The iPad 1:1 BYOD program is for students in Years 3 to 6.

iPad

DGPS recommends the iPad (A16) 11-inch Wi-Fi 128GB (Model: MD3Y4X/A).

If you wish to purchase an iPad with improved hardware and features the iPad Pro and Air variants are also suitable. Please note, iPad Mini is not recommended due to NAPLAN online testing requirements.

iPad (A16) models can be purchased through the JB HiFi Education Portal on our website or from any other vendor.

If you are wanting to purchase an older refurbished iPad model, please check it meets our minimum device specifications on our website.

Headphones

Headphones compatible with the iPad for students to use in the classroom can be purchased through the JB HiFi Accessories Portal, or another third party provider.

Headphones must be plug in. Please do not purchase bluetooth headphones.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
